

3rd February 2009.

Dear Parents/Guardians,

Attached is the permission form for travel to/from Seville East on the School Bus. We require this information for student safety, and in order to be sure that students do have permission to travel by bus.

Students **do require** a bus pass. This pass **must** be shown when boarding the bus. Students who misplace their pass will need to come to the office immediately to get a replacement. Bus permission forms will be held in the office and it will not be necessary to fill in a new form if the pass is lost.

Many students carry their pass in a plastic wallet attached to their school bag or kept in their pocket. This protects the pass and prevents the pass from being lost or forgotten.

Please complete the permission form attached and return it to school as soon as possible.

Thank you,

Pat Hillas
