

Dear parent/guardian,

Seville Primary School is looking forward to another great year of teaching and learning and would like to advise you of Seville Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Last year's voluntary contributions assisted our school in purchasing a new fleet of Chromebook devices with the latest interactive technology for our students. Further contributions from families will result in more new devices being purchased to replace older devices, which will support our school in keeping a 1 to 2 ratio for devices as we grow our student population.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

James Burnside
Principal

Nicole Shore
School Council President
