Changes to Restrictions

With the frequent changes to restrictions and lockdowns, we ask that parents please wait for Compass messages regarding changing school requirements. When announcements are made the Education Department email out directives and Operations Guides as soon as they have been developed/amended. Once we receive these we endeavour to pass on this information to families as soon as we possibly can and respectfully ask that you refrain from calling the school for this information before we have prepared announcements to go out to the whole school community.

Grade 6 Icy Poles

Once we are back at school the grade 6 students will be selling icy poles as a fundraiser for their Graduation at the end of the year. They will be available to purchase for \$1 each from the outdoor eating area.

Brekky Club

As soon as school resumes Brekky Club will be back on with cereal, toast and baked beans available most mornings, and Tuesdays we will also have cheese toasties. All students are welcome from 8.30am. Please enter the Admin building from the door at the canteen end.

Lunch Orders

Lunch orders can still be placed this Tuesday for Thursday's lunch but please phone Mel directly on **0408 348 122** to order and pay. Should lockdown be extended beyond this Wednesday lunch orders will be held over till the next attending Thursday.

Student Information

A reminder to please check the student Information details emailed home last week and advise the office of any changes that need to be made.

Parent Volunteer Morning

Assuming we are back at school from this Thursday, we will hold this meeting on Monday 22nd February at 9am. James Burnside will be hosting a morning tea for any parents interested in volunteering or having a say in the operations of our school and will cover the following:

- Volunteer OHS Induction - detailing emergency procedures
- Volunteer Handbook - suggestions of ways you can help your child's learning and others
- Working With Children Check assistance or update
- Q&A in regards to ideas for parent volunteer roles at the school and how we can help you to support your child at home.

You can take part in one, some or all of the above if you attend. It is an informal workshop with the purpose of supporting parents to get involved with our school.

Books In Homes—Free Books

Please return completed forms by Friday 19th February. Sample books can be found on display in the office area.

Please note that due to the high volume of students receiving books, each child will receive only TWO free books. Please select 3 options from the order form instead of 4.

Kayaking - Years 5 & 6

We have yet to receive any details on a possible re-scheduling of this event but will advise parents when we do so.
