

Weekly Bulletin

Monday 22nd February 2021

Compass Payments/Consent

The following events are now available to consent and pay through Compass.

- ◆ Afterschool Basketball (selected students)
- ◆ OSHC Week 4 (selected students)
- ◆ Headphones (selected students)
- ◆ Wheels Club

5&6 Kayaking

This event was postponed from last Tuesday to this Tuesday 23rd February. Please check the Compass Event for full details of requirements for the day.

Books In Homes—Free Books

Tomorrow is the last chance to return order forms. Please ensure they are placed in tubs in the morning. Spare forms are available at the office if anyone needs to fill one in in the morning.

Parent Volunteer Session

A second Parent Volunteer session will be held this Thursday at 3.10pm. It is a Department requirement that all volunteers complete an annual induction before commencing any volunteer work. If you are unable to attend this session please contact Lee in the office to help us determine if another session will be required.

Event Approvals and payment

When approving events in Compass details only need to be entered in the Medical and Emergency Contact fields if they are different from enrolment details for the day of event.

Morning Supervision

Just a reminder to parents that students should not be arriving at school before 8.45am as the yard is not supervised before this time. All students that need to arrive early should be booked in to OSHC.

Seville Stampede

Please keep the afternoon/evening of Wednesday 28th March free for our Seville Stampede. Full details will be sent home soon.

Staff Contact

Social media now plays a big part in our lives and with interactions with others, and in a small community there are personal relationships formed and contact made through social media outlets. We do however ask that parents please refrain from contacting staff personally for school related matters through social media, in particular outside of school hours. We also ask to please not be offended if staff choose to keep their professional and personal lives separate and not engage with parents through social media.

Parents are welcome to call or email the school, or send a message through the school's Facebook page if you need an issue addressed, and we will endeavour to contact you as soon as is possible.

Student Phones

A reminder that any students that have mobile phones are not to keep them in their bags during the day but are required to hand them in to the office for safe keeping, and collect them at the conclusion of the school day.

2022 Enrolments

Although we have only just begun 2021, we are already making plans for Transition sessions for 2022 preps. If you have children that will be starting school next year we encourage you to hand in enrolment forms as soon as possible to assist us with this organization.

Attendance

It is a departmental requirement that parents/carers explain all absences and we ask all families to please leave a message on the Attendance Line or log in to Compass and record the absences on the morning of the absence

Whilst it is important that students have minimal absences, please keep students at home if they are unwell, to prevent the spread of colds and viruses. If your child is experiencing COVID-19 symptoms they may return to school once symptom free, or with a doctors certificate.
