School Council Voting

School Council nomination forms were sent home last week and were due today. We will accept nomination forms at the latest by tomorrow morning.

Brain Food

We encourage all students to bring "brain food" to eat at approximately 10am. We ask that brain food please be single pieces of vegetables or fruit that students can hold in their hand to eat and continue working. Please keep messy fruit or anything that requires cutlery for snack or lunch.

Pancake Tuesday

On Tuesday 16th Feb we will be providing pancakes at Brekky Club to celebrate Pancake Tuesday. All students are welcome from 8.30am.

Lunch Orders - Volunteers needed

In order for lunch orders to be available here at Seville Primary, we require the assistance of some parents to help with the collection of lunches from the Carriage Café at approximately 1.30pm, and delivery to the school. If anyone is able to assist on a regular or rostered basis please contact the school.

Headphones

Students are required to have a pair of headphones in class to participate in educational online programs and several students currently do not have a working set. If parents would like to purchase a set through the school, please pay through Compass and a set of Moki Tommy Headphones will be provided to your child. Alternatively you may provide your own set.

School Photos

School photos were incorrectly advertised in last week's Bulletin. The correct date is **Monday March 29th**.

Parent/Teacher Exchanges

Parent/teacher exchanges for parents of grade 1-6 students are now available to book through Compass. You will have a notification in your home page News Feed with a link to the booking page. Please contact Lee in the office if you have any issues with this.

Student Information

Families will receive an email today with their child's information details. Please read carefully and return with any updated information if applicable.

Payment Plans

Parents that have yet to fill in a payment plan for Parent Payments will receive a form today. Please fill in details as appropriate and return to the office.

Safer Internet Day

Tomorrow is Safer Internet Day and each class will be taking part in activities that promote the safe and positive use of digital technology. Each student will then bring home an Esmart Acceptable Use Agreement that we ask parents to read through with their child, both sign, then return to school.

Parent Volunteer Morning

Next Monday 15th February at 9am, James Burnside will be hosting a morning tea for any parents interested in volunteering or having a say in the operations of our school. We will cover the following:

- Volunteer OHS Induction - detailing emergency procedures
- Volunteer Handbook - suggestions of ways you can help your child's learning and others
- Working With Children Check assistance or update
- Q&A in regards to ideas for parent volunteer roles at the school and how we can help you to support your child at home.

You can take part in one, some or all of the above if you attend. It is an informal workshop with the purpose of supporting parents to get involved with our school.

Uniform—Hats

Whilst uniform is ordered at any time of the year through the APLUS Schoolwear website we do carry stock of hats that are available to purchase for \$12 each. Please see Lee in the office if you require one.

Books In Homes—Free Books

Seville Primary is very fortunate to be sponsored by Rotary as part of the Books In Homes charitable foundation that provides free books to primary aged students. Each student will receive an order form today that is to be filled in and returned by Friday 19th February. Sample books can be found on display in the office area.

Please note that due to the high volume of students receiving books, each child will receive only TWO free books. Please select 3 options from the order form instead of 4.
